Dear Mr. Meklenberg

Last year when I appeared
through our synagogue paper for people
to give their Shanghai records to
organizations, someone gave this to
our rabbi. He then gave it to
me and I said I would get it to
you. However I have been unable
to get this, plus my own "stuff" to you.
Now due to illness I know I will
not get down to you.

I am sorry I have no additional
background on this.

Sincerely, Margit Hirsch
